

Grounds Maintenance :- Landscaping Maintenance

Vacation trips have undergone major changes in recent years.

Destination resorts are emerging.

The hospitality industry places new emphasis on both ambiance and service, visual delight as well as comfort.

Beautiful landscapes that are calming and inviting have moved far beyond stately trees and manicured lawns. Distinctive landscape features should be viewed as essential components for a luxury complex.

- 1) The Natural Appeal of a Garden
- 2) Offer Alternatives to the Pail Peck. → Garden, Sculpture court.
- 3) Create Family - Friendly Retreats :- children, picnic area,
- 4) Outdoor game room.
- 5) Light up the Night
- 6) Get Professional advice
